**STATE OF NEW HAMPSHIRE
TOWN WARRANT**

The Polls Will Be Open From 11:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Springfield in the County of Sullivan in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Springfield on Tuesday, the twelfth day of March, next at eleven of the clock in the forenoon, to act upon the following subjects:

Article 1

To choose all necessary Town Officers for the year ensuing.

NOTE: By Law, the Meeting must open before the voting starts. Therefore, the Meeting and Polls will open at 11 o'clock for the consideration of Article 1 only. At 12 noon the Meeting will recess, but the Polls will remain open until 7:00 p.m. The Meeting will reconvene at the Town Hall on Saturday, March 16, 1991 at 9:30 a.m. to act upon Articles 2 through 20.

Article 2

To see if the Town will vote to raise and appropriate the sum of twelve thousand dollars (\$12,000) to be used for the construction of a Sand Shed on the Town lot on New London Road or as amended.

Article 3

To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Police Cruiser and to raise and appropriate the sum of five thousand dollars (\$5,000) to be placed in this fund.

Article 4

To see if the Town will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a Highway Truck and to raise and appropriate the sum of five thousand dollars (\$5,000) to be placed in this fund.

Article 5

To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) to be added to the Fire Truck Capital Reserve Fund previously established.

Article 6

To see if the Town will vote to raise and appropriate the sum of two thousand dollars (\$2,000) to be added to the Library Capital Reserve Fund previously established.

Article 7

To see if the Town will authorize the Selectmen to withdraw fourteen thousand dollars (\$14,000) plus all accrued interest to date of withdrawal from

the Library Building Capital Reserve Fund and transfer these funds to the Library Trustees to be used together with funds from donations and grants for the purpose of constructing a library. No construction to begin until the Selectmen have determined that the entire cost of said project has been made available to the Trustees without further expenditure of Town funds. (Majority Vote Required - Paper Ballot - Use of Checklist.)

Article 8

To see if the Town will vote to raise and appropriate the sum of five hundred fifty-two thousand, two hundred and eighty dollars (\$552,280) or as amended which represents the bottom line of the Posted Budget inclusive of Special Articles voted. (Majority Vote Required - Paper Ballot - Use of Checklist.)

Article 9

To see if the Town will vote to authorize the Selectmen to borrow money on notes of the Town in anticipation of taxes.

Article 10

To see if the Town will approve to continue the management and sale of timber in any Town Forest Lands under the supervision of the Conservation Commission and a qualified Forester.

Article 11

To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend, without further action by the Town Meeting, money from the State, Federal or other governmental unit or a private source which becomes available during the fiscal year pursuant to RSA 31:95-B.

Article 12

Shall the Town of Springfield adopt the provisions of RSA 72:28 V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is one hundred dollars (\$100) rather than fifty dollars (\$50). (By Petition - Majority Vote Required - Paper Ballot - Use of Checklist.)

Article 13

Shall the Town of Springfield adopt the provision of RSA 72:35, IV for an optional property tax exemption on residential property for a service connected total disability? The optional disability exemption is one thousand four hundred dollars (\$1,400) rather than seven hundred dollars (\$700). (By Petition - Majority Vote Required - Paper Ballot - Use of Checklist.)

Article 14

Shall we modify the optional adjusted exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, (\$20,000); for a person 75 years of age up to 80 years, (\$30,000); for a person 80 years of age

or older, (\$40,000). To qualify, the person must have been a New Hampshire resident for at least five (5) years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least five (5) years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of \$50,000 excluding the value of the person's residence.

(Originally adopted at Town Meeting, March 10, 1987.)

(Public Hearing held February 20, 1991.)

(Majority Vote Required - Paper Ballot - Use of Checklist.)

Article 15

To see if the Town will vote (per RSA 80:80 III) to authorize the Selectmen to dispose of a lien or tax deeded property in a manner than otherwise provided in section RSA 80:80 *as justice may require*.

(Majority Vote Required - Paper Ballot - Use of Checklist.)

Article 16

To see if the Town will vote to sell by sealed bids, auction or as justice may require, the Town Property known as Sunapee Heights (Tax Map No. 2-180-546) (acquired by the Town through Tax Collector's Deeds) and direct the Selectmen to act as agents for the Town in the proceedings. Any proceeds from this sale shall be held in surplus to be placed in a Capital Reserve Fund to be established at Town Meeting in 1992 for the construction of a Fire Department/Highway Garage building on the Town building site on the New London Road.

Article 17

To see if the Town will vote to authorize the Selectmen to sell the following tracts of land: Tract 1 being described as Tax Map No. 42-473-071 also known as McDaniel's Meadow and Gordon Meadow and Tract 2 being described as Tax Map No. 49-203-054 also known as Edwards Meadow (acquired by the Town through Tax Collector's Deeds) to the New Hampshire Fish and Game Department in order to protect and add to the McDaniel's Marsh Waterfowl Management Area. Any proceeds from this sale shall be held in surplus to be placed in a Capital Reserve Fund to be established at Town Meeting in 1992 for the construction of a Fire Department/Highway Garage building on the Town building site on the New London Road.

Article 18

To see if the Town will vote to authorize the Board of Selectmen to appoint the Police Officer for the Town instead of election by vote.

Article 19

Shall we adopt the provision of RSA 76:15-A providing for semi-annual payment of property taxes? This Statute provides for mailing of tax bills for partial payment no later than June 15 with payment due and payable on July 1.

Payments shall be credited toward the amount of taxes assessed against the property. A payment of the remainder of taxes assessed as of April 1, minus the payment due on July 1 of that year, shall be due and payable December 1. Interest shall be on all taxes not paid on or before the date they are due and payable as prescribed in RSA 76:13, except that, all bills for partial payment are mailed on or after July 1, interest shall not be charged until 30 days after the last bill is mailed.

(By Petition - Yes of No Paper Ballot - Use of Checklist.)

(Requested by fifteen (15) legal voters.)

Article 20

To see if the Town will vote the following:

Whereas, although the right of free expression is part of the foundation of the United States Constitution, very carefully drawn limits on expression in specific instances have long been recognized as legitimate means of maintaining public safety and decency, as well as orderliness and productive value of public debate; and

Whereas, there are symbols of our nation such as the Washington Monument, the United States Capitol Building, memorials to our greatest leaders, and our Flag, which are the property of every American and are therefore worthy of protection from desecration and dishonor; and

Whereas, the Law as interpreted by the United States Supreme Court no longer accords to the Flag the reverence, respect, and dignity to which it is entitled; and

Whereas, it is only fitting that people everywhere should join in a forceful call for the restoration of the Flag to its proper station under law and decency;

Now therefore be it resolved, that the voters of the Town of Springfield, New Hampshire respectfully request the Congress of the United States to propose an Amendment of the United States Constitution, for ratification by the States, specifying that Congress and the States shall have the power to prohibit the physical desecration of the Flag of the United States.

(By Petition - Requested by sixteen (16) legal voters.)

Given under our hands and seals, this eighteenth day of February, in the year of our Lord nineteen hundred and ninety-one.

Richard S. Kidder, Jr.
Constance A. Jones
Louise B. Jacewicz
Selectmen of Springfield, N.H.

SELECTMEN'S REPORT - 1990

In reviewing the year of 1990, I must say I feel the Town has progressed very well. We are in the process of completing the revaluation of the Town this year. With Louise's many hours of work and the expertise of the firm of Real Estate Mass Appraisal Service (Bruce Bean), we feel confident that a fair and equitable revaluation will be accomplished.

The Recreation Field is finished and a new and energetic Recreation Committee has many plans for the facility, as well as other activities that I hope the Town will support.

The Library Fund Raising Committee consisting of Ann Lape, Elizabeth Bushueff, Wolf Heinberg, Marilyn Heath, Janet Roberts, Barbara Garlock, Liz Manning, Alice and Bob Nulsen, Celeste and Bob Klein, and the Library Trustees have been working especially hard on raising money for a new building. Through their efforts, enough funds have been raised to apply for a matching grant which would pay for most of the new building without raising taxes.

The Planning Board and Conservation Commission have had a busy year. The Zoning Board is developing very well and will probably be one of the busier boards in the next few years.

None of these committees or boards can function, however, without the dedication and long hours of hard work from caring townspeople; people like Andy D'Amico, Chairman of the School Board; Tom Wade, Chairman of the School Budget Committee; and George Thomson, for his work with the Upper Valley. It is because of these people, and the people on all the other boards and committees, that Springfield has progressed as well as it has.

I would also like to mention the office staff of Treasurer, Tax Collector, Town Clerk, Selectmen's Secretary, and their Deputies. It is because of their time and service that we, as Selectmen, can function. They are worth every penny we pay them, and then some, because they are in essence running the Town on a day-to-day basis.

In the area of Town maintenance, we were able to pave approximately one mile of Baptist Pond Road this year. Through Russell's efforts we were also able to get 3,785 tons of cold planing grindings from Interstate 89 to lay on many of our dirt roads. We cleared an area next to the ball field that will be used some day for a new Town Garage and Fire Department Building, and is now an area where we can store salt and sand. All of the Town right-of-ways were mowed this year. The parking area of the Town Office Building was paved, and trees and shrubs planted to enhance the beauty of our public buildings.

In looking to next year, we hope to sell some Town land and put the money towards a Fire House, Town Garage and Police Office. This would keep the amount we will need to raise as low as possible.

The Capital Improvements Committee has completed their reports and have come up with a list of needs for the future. It is looking to these needs that we, as Selectmen, and with the support of the Budget Committee, feel

it important to start to add to Capital Reserve accounts in order to plan ahead for future needs.

We hope to do some work on Bowman Road this year and possibly get more cold planing grindings. We also hope that you will support our efforts to build a Sand and Salt Shed.

As you know, Louise will be leaving the Board this year. I would like to thank her for the time and dedication she has put in over the years. It is through her understanding of finance and numbers, her interest in assessments, and her overall ability to deal with people and express herself that we have been able to accomplish so many things. Connie and I will still seek her advice in the future, but I hope she doesn't feel she has to give as much time as she has in the past. Thank you, Louise.

Richard S. Kidder, Jr.

AUDITOR'S REPORT

To the Citizens of the Town of Springfield, N.H.

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Trustees of the Trust Funds, and other Town Officers. I have compared their accounts, vouchers, and bank statements of funds on deposit, and find these records to be in agreement. I believe these records to be a true record of the town business for the year ending December 31, 1990.

Richard D. Petrin
Auditor

February 11, 1991

CIVIL DEFENSE EMERGENCY MANAGEMENT - 1990

This past year our emergency plan was redone and additions and deletions were made. This coming year, the State of N.H. Emergency Management Office will be doing a review of the Hazardous Material Contingency Plan and making recommendations for changes or updating.

The four-hour Awareness Course on hazardous materials for all town officials is still in the works.

If you have any questions about the town emergency plan, please feel free to call me and I will answer or find the answer to your questions.

Thank you for your support.

Frank Anderson
Civil Defense
Emergency Management Director

CONSERVATION COMMISSION REPORT - 1990

This has been a busy and productive year for this Commission. It continued reviewing and monitoring Wetlands Board Applications in this Town, advising the Board in Concord of any possible environmental impact of submitted projects. Total Wetlands Applications for 1990 were seven.

As a custodian of town forests, the Commission periodically reviews the status of these parcels of land. Tom Duling, member of the Lake Kroleemook Protective Association, frequently reports on the environmental status of the lake.

The Commission interacts frequently with other Town Departments on the matters of common concern and participates as needed in common discussions. It also disseminates educational material on environmental issues and interacts with similar organizations in other towns throughout the state.

Respectfully submitted,
Boris P. Bushueff

SPRINGFIELD FAST SQUAD - 1990

The squad members would like to thank all of our mutual aid squads and ambulance services for their assistance the past year.

The squad is in need of new personnel. Anyone interested can call Frank Anderson at 763-9686 for more information on courses. This year is recertification time again for all squad members.

Squad calls in 1990 - 18

In an emergency call New London Dispatch at 526-2626 or Newport Dispatch at 863-3232. Give your name and address and type of emergency to the dispatcher.

Respectfully submitted,
Frank Anderson
Squad Member

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but **ONLY** with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**"

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

SPRINGFIELD HISTORICAL SOCIETY, INC. - 1990

In 1984, the Society began to take the necessary steps for having the Meetinghouse/Townhouse placed on the National Registry of Historic Buildings. In doing so, the Society supported the historic significance of the building and felt that the Society should contribute to the building restoration during 1989. During the renovation, the Society provided the funds for many appointments to the lower level, which we have listed in previous reports and in past Society newsletters during membership drives. Our contribution to the Townhouse (lower level) encouraged us to plan the raising of funds to tackle the task of redecorating the upper level known as the Meetinghouse.

In June, all members of the Society, plus other taxpayers, were mailed our yearly newsletter specifically notifying them of the Annual Meeting and requesting donations and membership renewals in order to begin Meetinghouse renovations. A total of \$2,550 was collected on a planned goal of \$6,000. Our total expenditures to date on the upper level have been \$2,946.

During the 1990 fall season, Tim Moulton of Springfield (M and M Painting) was hired to begin painting, first the ceiling, then the walls. Our original plan was to paint one coat on all surfaces. However, after starting, one coat was far from sufficient to cover wall areas that had been originally dark in color and that had been let go for so many years. Patching and plastering became necessary to prepare the walls for painting, and this led to much sanding, dust and dirt. After much hard work, Tim finished up just prior to Christmas week 1990.

During the work period, we asked Sunapee Bedding and Carpeting to assist us with an estimate for carpeting in order to replace the indoor/outdoor carpet currently still in place. As of the date of this publication, our goal for completion still requires the refinishing of the pews plus the carpet installation. The cost of refinishing the pews would be \$2,800. The carpet is estimated at \$2,500 for carpet just in the areas now carpeted, and \$3,100 for carpeting to continue under the pews.

This winter, Dick and Dorothy Eldeen have spent much time researching and typing the genealogy cards. A task still waiting for more volunteers.

We would like to continue our help to the Meetinghouse refurbishment. All donations to the goal will be greatly appreciated.

Respectfully submitted,
Daniel E. Daly
Treasurer
Springfield Historical Society, Inc.

LAKE SUNAPEE HEALTH CARE

1990 Report of Services Provided in Springfield

1990 was a year of change and growth for Lake Sunapee Home Health Care. In February, we changed our name to Lake Sunapee Health Care and affiliates, Lake Sunapee Home Care and Hospice and Lake Sunapee Community Health Services. We also merged with the Hospice of the Kearsarge Valley and now provide hospice volunteers as an additional service.

Demand for patient care increased due in part to more requests from physicians, hospitals, insurers, and people in the community. Professional and support staff responded to the growing need by maintaining demanding patient caseloads throughout the year.

During the year we received memorial and general donations which were important and greatly appreciated. These gifts enabled us to provide care to people who would otherwise be unable to afford it.

The following is a summary of visits provided to people in Springfield in 1990:

Skilled Nursing	293
Rehabilitation Therapies	67
Home Health Aide	132
Certified Nursing Assistant (2 hr. visit)	80
Homemaker and Respite Care	62
Pediatric Nursing	1
Child Health Clinic	33
Parent/Child Program	31
Social Service	7
Blood Pressure Screening	24
Flu Shots	23

Thank you for your continued support of our agency and its services. Your town representative on the Board of Trustees is Muriel Tinkham.

Respectfully submitted,
Cheryl Blik
President and CEO

LIBRARY TRUSTEES REPORT - 1990

Much has been accomplished this year at our library. Early in the year we established a committee to raise funds for building a new library, and thus save many taxpayer dollars.

Among our fund-raising events have been two dances, a series of workshops, raffles for a quilt donated by Fred and Terry Davis, and a doll made and donated by Doris Sayer. A dinner hosted by Wolf Heinberg and the Beams, assisted by many of our townspeople, was particularly enjoyable

as well as profitable. We have also received many contributions, large and small, money as well as material. Your trustees wish to thank all who have contributed in any way to this effort.

Our winter reading program ended in April with a visit to the new Montshire Museum in Norwich, Vermont. Afterwards, we enjoyed a picnic on the museum grounds.

At graduation time in June, we were pleased to award scholarships to Linda Cote, Julie Leach and Kate Walker. We are proud of these girls' accomplishments.

During the summer we held our two annual money-making events: the Book and Doll Sale at the Gallery and a bake sale at Cricenti's. The money raised at these is used for our scholarships, trips and our Christmas party.

Then there were our Field Day and our Mad Hatter's Tea Party. They were both such fun that we expect to do them again. We would like to have more things like this. What can we do for the boys and men?

Our Christmas Party on December 15th with the Kindergarten Singers, Bill Wightman and Santa Claus entertained more than 100 people in spite of the snow falling outside.

We were truly sorry to lose Marilyn Johnson as a member of our committee, but have welcomed Alice Nulsen, who was appointed to replace Judy Jarvis. Judy, although elected, was unable to serve because of other commitments.

Our library collection keeps growing—more books, more videos, more people borrowing, more looking for tutoring, and now thanks to a grant to the Libraries of the Upper Valley we have received a computer. This will be especially helpful with our tutoring. So our library continues to be a busy place and when we have our new building, we hope to be able to offer more to all the people of Springfield.

The Library Trustees meet on the first Thursday of each month at 7 p.m. in the library. These meetings are open to the public. We welcome your suggestions and ideas.

Muriel Tinkham

Terry Davis

Alice Nulsen

LIBRARIAN'S REPORT - 1990

This year has seen a few changes at the library. Because of the privacy law enacted by the state we are required to use numbers instead of our names when we borrow material. This has necessitated issuing numbers to all library users. We have also changed the hours so that we are open on Friday from 3 to 5 p.m. in order to be of help with children's homework over the weekend.

LUV (Librarians of the Upper Valley, a cooperative to which we belong, has secured a grant for the ATP (Adult Tutorial Program) and Springfield,

which wrote a supporting letter for the grant, has been awarded a computer, an Apple 2E with two disk drives and a printer. LUV meetings are held every two months, at which time videos are exchanged among the members. We have video loan arrangements with Tracy Library in New London.

We have become more active in inter-library loan activities, and as our collection has grown we have received requests for loans from Concord, Newport, Sunapee and Laconia.

Story hours are held weekly, weather permitting, for our kindergarten and also in the summer with the invaluable help of Nancy Vanderwart doing crafts. The number of new library cards issued this year was 55.

The library is an all volunteer organization which could not function without the following to whom a debt of gratitude is owed. They are Linda Bailey, George Bresnahan, Betty Broadly, Elizabeth Bushueff, Diane Desclos, Maureen Graham, Carol Greene, Marilyn Johnson, Priscilla Meyer, Dixie Parenteau, Minnie Patten, Barbara Reney, Lena Thompson, Nancy Vanderwart and Linda Welch. A special thanks to our loyal and most generous friend Lily Rudner, and also Bob Klein for our computer catalog. The Trustees not only man the circulation desk, but make our other activities possible. We always welcome volunteers and suggestions for ways in which to serve the town better.

We fervently hope that this year will see a new library building which will adequately house the collection of 9,800 books, provide space for tutoring, a computer room and meeting facilities and keeps us and our equipment (computer and copier) warm and provides a bathroom.

Respectfully submitted,
Celeste Klein
 Librarian

LIBBIE A. CASS MEMORIAL LIBRARY Financial Statement - 1990

Town Appropriated Funds

Balance January 1, 1990	\$ 2,899.81
Received 1990	4,400.00
Interest	115.00

1990 REPORT OF THE SPRINGFIELD PLANNING BOARD

Although the Planning Board is anticipating a quieter year in 1991, the pace for 1990 remained heavy. The Board approved six subdivisions and one annexation which resulted in the creation of 45 lots. The two largest subdivisions, both completed in phases, resulted in 15 lots on Baptist Pond Road by Palazzi Corporation and 21 lots by RELM Corp. off the New London and Messer Hill Roads. Both subdivision processes involved many long sessions as the Board wrestled with the problems presented. The other subdivisions added two lots to Hogg Hill Road, three to Baptist Pond Road, two to George Hill Road and two on Sanborn Hill Road. Consultations were held for six other potential subdivisions, most of which will be minor.

Site Plan Review regulations governing proposed non-residential and multi-family projects were adopted by the Board in May. Copies of these regulations are available at the Town Office.

The Board members also spent time working on revisions to the roadway regulations, which involved extensive consultations with two engineers, and on completing the Capital Improvements Plan. Final versions of these along with organizational revisions to the subdivision regulations will be presented in hearings to the Town during the early part of 1991.

Master Plan maps requested in 1989 to be drawn up were received from the Upper Valley-Lake Sunapee Council and will be used to help the Zoning Board and the Planning Board in the coming years.

Aerial maps of the Town were purchased from Sullivan County and will be used with maps to be photographed in 1991 to aid the Board in drawing

up inventory information on excavation sites. At the Board's request, samples of excavation regulations were received from the Upper Valley-Lake Sunapee Council and will be adopted for our use in 1991.

The Board meets the third Thursday of the month in the Memorial Building at 7:00 p.m. Any business not completed by 10:00 p.m. is automatically carried over to the fourth Thursday. The public is very welcome at all of these meetings.

Respectfully submitted,
Janet Booker, Chairman

POLICE DEPARTMENT REPORT - 1990

The Springfield Police Department had a major change in November with the resignation of Russell LeBrecht as Police Chief. Russ will stay in the department as a police officer.

Also in November, I applied for and received a Highway Safety Grant from the New Hampshire Department of Highway Safety for the purchase of a radar unit for the patrol car, which will be used for the enforcement of the speed limit laws in town. We received the radar unit in December.

We have had a number of house breaks this year and we ask that if you see anything that looks suspicious that you call us so we can check it out.

When calling for an emergency, please call 863-3232. If it is not an emergency, please call 763-2409 and leave a message on the answering machine if I am not there and I will get back to you as soon as I can.

I would like to thank Russ for all the help that he has given me these past few months, when I took over as Chief.

We, as a small department, appreciate the help given to us by the neighboring towns when we need to call upon them for assistance, as well as the New Hampshire State Police, New London Ambulance, Newport Ambulance and Newport Police Dispatch.

Respectfully submitted,
Steven C. Bailey
Chief of Police

REPORT FROM REPRESENTATIVE PETER BURLING

It is hard to imagine a time of more difficult transitions. Our collective plunge from good times to bad continues without even a suggestion that the bottom is in sight. We perceive the effects of this in a dozen different ways, most particularly as we see the struggles over our school and municipal budgets move through the spectrum from friendly to heated and from heated to adversarial.

The effect on our politics is complex. Legislators look for new alliances, new ways of finding solutions. The budget of the State is on every rep's mind, with a deficit of some \$85 million possible next year (maybe more). A new consensus is developing that we need to look in new directions.

The upcoming legislative year will see us confront some immensely difficult issues. There will be a great struggle over alternative revenue bills. There is a very well drafted income tax bill already before us. This bill will work in large part to provide relief from the worst effects of our over-dependence on the real property tax. In all probability, there will be a look at a sales tax as well.

There will also be a terrific fight over the process of making our budget cuts. Many legislators (myself included) are fed up with the concept of across-the-board cuts, and these legislators are now demanding that we start making cuts based on political priorities, intelligently defined.

For my own part, I continue to serve on the House Judiciary Committee, where I am Chair of the sub-committee on Civil Law. I am also now an Assistant Minority Leader. I have filed a small selection of bills this year, the most important of which calls for making the post of Attorney General an elective office, as it is in 43 other states. I feel very strongly that this is an important change for us to make, and I am delighted at the support I am receiving from both branches of the Legislature.

I still relish the task I am about, and I thank each of you for giving me the opportunity to go on with my service in the House. I know now from experience that you will call me if you particularly agree or disagree with something I have done. Thank you for doing so, and please continue the effort.

REPORT OF MERLE W. SCHOTANUS REPRESENTATIVE TO THE NEW HAMPSHIRE GENERAL COURT

Budget problems and declining revenues dominated 1990 legislative debate. A supplemental budget bill was passed which required cuts of more than \$60 million, increased fees and taxes, and depleted the \$28 million "rainy day" fund to get state government through June 1991. One of four tax reform bills (HB 1399) aimed at property tax relief was studied over the summer by the Ways and Means Committee. The study report recognized that the state's over-

reliance on real estate taxes has caused serious problems in taxpayer equity, but concluded the problem needs more study before it can be resolved. A small part of the fees raised to "balance" the budget penalized landowners who built Class AA dammed conservation ponds. I attempted to rescind the \$20 fee charged for each pond, but was unsuccessful because the Senate attached my amendment to a multi-million dollar capital appropriations bill vetoed by the governor. My SAU weighted vote bill was sent to study and will probably pass in the 1991 session.

The 1991 session will be the most difficult I have experienced since becoming your representative in 1985. I will again be serving on the Appropriations Committee, this time as vice chair of the resources protection, development and transportation division. Budget and tax problems will again overshadow all other issues this session. We will face yet another \$20 million supplemental budget to see the state through June 1991, and then struggle to overcome an \$80-100 million revenue shortfall when we set the budget for the 1992-93 biennium. Education funding and tax reform will share a large part of the debate on how the state meets its obligations. Entire programs and some state agencies will cease to exist if we are to achieve a balanced state budget. Besides being heavily involved in budget and revenue issues, I also will be co-sponsoring bills regarding the timber yield tax and forest fire protection; a forest clearcutting policy; additional funding for the Board of Tax and Land Appeals; repeal of the Class AA dam fees; and the final funding segment for the Land Conservation Investment Program.

The tax reform debate promises to be nasty and will focus on the problem of taxpayer equity. An omnibus tax reform bill has been introduced which proposes, among other things, a personal income tax; property tax exemptions; renter credits; new municipal and education aid; lowers the business profits and rooms and meals taxes; and repeals the interest and dividends tax. In general, the bill, if adopted, could substantially reduce taxes for families with less than \$50,000 adjusted gross income, and increase slightly the taxes paid by families making more than \$50,000. I have distributed fact sheets on this bill to the selectmen of each town and, on request, to many constituents. I have informed the sponsors of the measure that I cannot support their proposal until I have heard from my constituents.

I will again chair the Sullivan County Delegation. Although the county faces an estimated \$370,000 in additional retirement costs as a result of an increase in employer contributions mandated by the NH Retirement System, the County Commissioners have assured me their goal is to level fund the 1992-93 County Budget. I assure you the county delegation will do everything possible to insure the commissioners' promise becomes reality.

Again, more than ever before, it is crucial that your representatives are informed about your views on the issues facing the state and county. Please call me in Grantham at 863-1928 or 863-2293, or in Concord at 271-3065; or drop a note or visit and let me know your views at Sugar Springs Farm in Grantham, or Room 105, Statehouse in Concord.

UPPER VALLEY LAKE SUNAPEE COUNCIL

1990 Report to Member Communities

There are nine Regional Planning Commissions in New Hampshire and 12 in Vermont. Like the others, the Upper Valley Lake Sunapee Council is a private, non-profit corporation enabled by state legislation. Overall, our duties fall into two categories: (1) Provide services to member Towns, and (2) Address regional issues.

Services to Towns:

Information

Advice

Hands-On Help

In-Depth Support

Regional Issues

Services Available

Community Development

Economic Development

Transportation Planning

Environmental Planning

Land Preservation

GIS - Geographic Information Systems

- As in the past several years, provided consultation and help to over two-thirds of the local communities. (Which two-thirds this varies - not all communities request help every year.)
- Continued to work with the Geographical Information System (GIS). We completed a regional land use analysis and began work on region-wide data layers for base maps, including municipal boundaries, roads, water bodies, and rail lines. We were designated an official Service Center by the Vermont Office of GIS. We were also instrumental in getting our Vermont towns to the top of the list for state-funded base mapping of tax plat maps. We also began GIS project work for Hartford and Thetford.
- Continued to promote a consistent land use classification system for both New Hampshire and Vermont to use in GIS mapping.
- Developed a Land Use element for the Regional Plan. This included creating a series of four regional land use maps using the GIS.
- Met repeatedly with state officials and agency representatives to influence policy and help keep the region an active participant in many ongoing programs.
- Maintained a library of regional data, and answered numerous requests for information.
- Provided extensive support to our Vermont towns for solid waste district information, in cooperation with the Two Rivers Ottauquechee Regional Commission. We also worked toward fulfilling our other responsibilities under Act 78, Vermont's solid waste law.

- Assisted the Upper Valley Solid Waste District (on the New Hampshire side), sponsored a number of meetings of the District, worked toward revising the District plan to accommodate comments from the State of New Hampshire, and worked toward implementation of regional solid waste solutions where appropriate.
- Continued to make available the services of a recycling coordinator to New Hampshire towns. Among other things, we assisted in a number of successful grant applications for recycling projects.
- Continued to administer the Upper Valley Household Hazardous Waste Collection program. Helped move the program toward providing some form of year-round collection efforts, coupled with increased public education.
- Completed a number of Water Quality Management Plans for inclusion in town Master Plans under NH Chapter 167.
- Continued to provide support for an economic development agent in Sullivan County, to help retain and expand employment opportunities in the area. This highly successful organization became administratively independent in 1990, and will be financially fully independent as of January 1991. We continue to have overlapping Board memberships with this organization.
- Participated in a second year of statewide dialog regarding Impact Fee legislation during the legislative session in New Hampshire.
- Sponsored local sessions of the NH Municipal Law Lecture series.
- Participated in the Governor's Council for the 21st Century.
- Administered a number of Community Development Block Grants. These grants have brought several million dollars worth of rehabilitation and municipal improvement funds into the region during the past few years. Only two of the nine regional planning agencies in New Hampshire provide this service.
- Continued to work with the computer model developed during the Upper Valley Transportation Study to assess the traffic impacts of several large proposed development projects, and to assess the impacts of changes to the roadway network.
- Continued support for the Transportation Coordinating Committee, formed in 1989 at the request of the New Hampshire Department of Transportation.
- Provided technical assistance to Advance Transit and County Coach.
- Continued a study of public transportation for social service agencies in nearby towns in Vermont.
- Complied with applicable Act 200 requirements at the local, regional, and state level, including participation in the Council of Regional Commissions.
- Participated in review of Act 200, the new comprehensive planning legislation in Vermont, including legislative strategy sessions.
- Participated in the Vermont Act 250 environmental review process for a number of regionally significant projects.

- Sponsored local sessions of the VT planning training series.
- Worked with the communities around Lake Sunapee to develop a shoreline protection ordinance.
- Worked closely with the Upper Valley Land Trust, Society for the Protection of New Hampshire Forests, the Trust for New Hampshire Lands, and the Connecticut River Watershed Council to protect open space and conserve important parcels of land.
- Continued to participate in and work with the Connecticut River Valley Resource Commission. This commission allows New Hampshire towns in the Connecticut River Valley to join together in addressing issues such as growth, development, and preservation of the natural environment.
- Completely revised and updated our Regional Profile, and distributed copies to member towns.

The Upper Valley Lake Sunapee Council also provides specific services to communities on a contract basis. As requested by the communities, the Council conducted impact studies regarding proposed development, worked on amendments/updates to local ordinances and regulations, drafted new ordinances, performed capital improvement programs, and provided general mapping, drafting, and other technical assistance.

The Upper Valley Lake Sunapee Council looks forward to serving your community during the coming year. Please feel free to contact us for more information about specific activities in your community, or whenever we can be of assistance.

ZONING BOARD OF ADJUSTMENT ANNUAL REPORT - 1990

The Zoning Board of Adjustment met 12 times this past year at its regularly scheduled meeting held on the first Wednesday of every month. The Board rendered decisions on a variety of variance requests, most dealing with setbacks for buildings and septic systems. Additionally, the Board reviewed several applications for Special Exceptions dealing with low impact commercial uses.

We have incorporated several changes in the Zoning Ordinance which have made for easier administration and application. The Board meetings are always well attended and we wish to thank the representatives from the Selectmen's Office and Planning Board for their assistance. Special thanks are due Janet Roberts, our administrative assistant, for keeping us up-to-date and organized.

Respectfully submitted,
Jeff Milne, Chairman

Members: *Bernard Manning, Vice Chairman*

GRANTHAM-SPRINGFIELD KINDERGARTEN

Annual Report - 1990

The Kindergarten celebrates its fifteenth anniversary this year. We have an enrollment of thirty children, seventeen in the morning session and thirteen in the afternoon. Fourteen come from Springfield and sixteen from Grantham.

Whole language, individualized phonics, handwriting and math continue to be the core of our program, which is designed to foster the maximum learning of each child. As many opportunities as possible are provided for the development of language skills. Children share their ideas and experiences during meeting time, read Big Books together, and write on daily journal pages. A love of books is encouraged by having a daily story time, and in the fall and spring, the Kindergarten groups walk to the Libby Cass Library on a weekly basis. Celeste Klein generously volunteers her time and opens the library especially for our groups. She reads to the children and helps them choose books to take home. We all look forward to this time very much. In math we work on counting, recognizing numbers, sorting and organizing materials and recognizing patterns. We also practice the skill of estimating.

A daily art project is an important part of our program. Stacey Gallien, the Kindergarten Aide, supervises this activity which gives the children much pleasure.

Throughout the Kindergarten day much attention is paid to social development. Children learn the importance of taking turns, thinking of others and getting along in a group.

During the year we have a number of special activities. In September we visited Sugar Spring Farm in Grantham to pick apples and make cider. In October we had a visit from the Fire Department, and an Open House was held for parents. In November Bill Wightman, the musician, came to the Kindergarten to teach us some songs, and at Thanksgiving time we had a feast. In December we participated in the Springfield Library Christmas Party and the Grantham Village School Program. During the coming winter and spring we hope to have Bill Wightman back for more singing, enjoy an outreach program from the Montshire Museum, visit the Patten's Dairy Farm and the Springfield Post Office.

Many people not already mentioned are helping to make our school year a success. Janet Booker, as our Springfield Supervisor, is always eager to help. Louise Jacewicz, Connie Jones and Robert Moore contribute much toward making our classroom a pleasant place to be. They arranged for a new table and tend to our copying needs. Bill and Sue Anderson work hard to keep us neat and clean. Nancy Vanderwart accompanied us on the piano for the Christmas and Memorial Day Programs. She adapted the song "This Town is Our Town" especially for the Kindergarten to sing and spent a lot of time helping us practice. We give special thanks to parent volunteers who help in many ways. They are: Jackie Clary, Lori Coleman, Karen Cook, Stephanie

Gilson, Kay Johnson, Kathy Tatro and Nancy Tomlinson. The support of all these people is very much appreciated.

Very Sincerely,
Cynthia Jones

SCHOOL BOARD REPORT - 1990

Education in the Kearsarge Regional School District differed in 1990 from the previous year because of a sense of newness and a "can do" attitude displayed by all employees at every level. This attitude translated into some impressive accomplishments in our District. Below is a list of some of those accomplishments:

Accomplishments

- The dropout rate at Kearsarge Regional High School reached a low of 2.4%.
- Our high school students performed BETTER on the SAT test than the average N.H. or U.S. student.
- The high school received its five year Accreditation Extension from the National Association of Schools and Colleges.
- The concept of team teaching at the Middle School has been put into practice in the 6th, 7th and 8th grade. It has been so successful that 50% more mainstreamed special education students can be given more collective attention by the teachers.
- We became the newest single district School Administrative Unit on July 1st.
- Our new Special Education Director, Marie Wolfe, has fundamentally reorganized Special Education Services that saves us money while providing *more help* to our kids.
- The Curriculum Task Force made up of over 25 citizens plus administrators and teachers have studied the high school curriculum in depth and made recommendations to the Board. The work of this committee is still not over.
- Kearsarge gets a 5% Budget increase passed while many other districts got their's rejected by the voters.

Milestones

- The Board selects Dr. Howard R. Goodrow to be the first Superintendent of SAU #65.
- The Board writes job descriptions for the Superintendent, an Assistant Superintendent, Special Education Director, and Business Manager.
- Betty Erickson, elementary teacher at KRES-Bradford, received the 1990 Presidential Award for Excellence in Math from the State of N.H.
- Dan Kocsis, middle school teacher, is included in *Who's Who in American Education*.
- Mr. Poliseno, middle school Principal, earned an MBA. In addition, Tom has MA degrees from both NYU and Columbia University.
- Mr. Fitzgerald, Principal of both KRES-Warner and KRES-Bradford, is well on his way to earning a Ph.D. in Educational Administration from UVM.
- Dr. Ezen, Principal of Kearsarge Regional High School, received the Certificate of Commendation from the N.H. Traffic Safety Department for KRHS's efforts in educating youngsters on the dangers of drugs and alcohol.
- A Mission Statement is issued by the Middle School.
- A new college handbook has been written by the high school Guidance Department.

- Significant curriculum work was completed on Social Studies, Reading, Language Arts, Math, and Health at all of our District elementary schools.
- Curriculum updates and inservice training in math were sponsored by a grant from the Dwight D. Eisenhower Mathematics and Science Education Act, at KRES-Warner and KRES-Bradford.
- The Warner PTO and KRES-Warner teachers sponsored a workshop on conflict management. This concept helps students deal with conflict. Parents, secretarial and custodial help were involved.
- A district-wide Wellness Project has started that seeks to promote wellness not only among the staff, but the administration, students, parents, and even the School Board.
- Teachers agree to cost share medical insurance premiums saving the district \$65,000.
- Report cards and scheduling are now tracked and printed by computer at both the middle school and the high school.
- New quarterly reports are issued by the teachers. Many parents are pleased to receive them.
- The Multi-Age class in Warner is in its second successful year.
- Bradford has established a Multi-Age Math program for 1st and 2nd, and for R-2 (two groups).
- Kearsarge teachers take four out of nine computer awards in a statewide computer contest.
- 40 computers are now networked at the high school while saving thousands of dollars to the district.
- Middle school students go on a student exchange trip to Leningrad, U.S.S.R.
- Middle school raises over \$22,000 to fund an exchange trip of Leningrad students to KRSD.

Trends

- The Municipal Budget Committee is appointed and has been working closely with the Superintendent and the Board.
- In a year that has been economically devastating to many N.H. residents, the Board strives for a 0%-based budget that hopefully will include a new teacher's contract.
- The State is considering reneging on its promise to give Building Aid money for new construction. This could reduce the level of funding the State promised Kearsarge when our new schools were built.
- The Kearsarge Regional School District loses over \$42,000 in Foundation Aid from the State.
- The N.H. House agrees to Governor Gregg's recommendation to eliminate the General Fund portion of Foundation Aid to schools. This will make New Hampshire the only state that does not help fund a public education.

We officially became SAU #65 on July 1st. By that time, we already had Dr. Howard Goodrow on-board as Superintendent. He came in about a month before the last Annual District Meeting and immediately gave framework and clarity of things to be done to get the District moving forward. Dr. Goodrow

comes to us with 12 illustrative years as Superintendent in Woodstock, VT. He became the very first Vermont Superintendent of the Year, has published articles in educational periodicals, and is a lecturer. He has a business background that has proven to be invaluable for Kearsarge and has helped ensure easy communication between the Board and the new Municipal Budget Committee.

By law, the Municipal Budget Committee will present the 1991-1992 Kearsarge Budget at the Annual School District Meeting. They will also conduct the budget hearing(s) which will be scheduled on a Saturday. Tom Wade represents Springfield on that committee and is its chairman.

The School Board requested a 0%-based budget this year. Building operating budgets have been received reflecting that standard. But we still must negotiate a new teacher contract that will help us maintain a 0% standard. Our Board negotiating team reports positive progress. The Municipal Budget Committee requested (and the School Board granted with my wholehearted support) an observer to the negotiations. The negotiation process with the new observer is proceeding smoothly!

I was honored again this year by being chosen the first Chairman of SAU #65. I hope the above list shows how some of the positive things happening in our District are translated into exceptional education. Both Kearsarge Regional High School and the Middle School feel that they have an excellent chance of receiving the Presidential Award for Excellence in Education. While it would be the Middle School's first such award, it would be the High School's second. I have suggested and encouraged both schools to begin preparations for making application for the award.

The date of the Annual School District Meeting is Saturday, March 23, 1991. Hope to see you there.

Respectfully submitted,
Andrew D'Amico, Chairman
Kearsarge Regional School Board
